

Breathe Life Into Me

Ray Martin

Eb2 Gm7
Breathe life into me
Eb2 Gm7
My mind is weary and I concede
Eb Gm7
that every time I get back, get back to this place
Eb2 Bb/D
I'm reminded that I tried to impose
Eb2 Gm7
my own way and ignored your plan
Bb/F Edim7 Eb2 (Gm7 Bb/F Edim7 Eb2)
in the end I fall wearily back deflated

Eb2 Gm7
You have plans I've yet to see
Eb2 Gm7
so much potential still left to reach
Eb2 Gm7
frustratedly returning into this space
Eb2 Bb/D
'cause I tripped up in the blindness of now
Eb2 Gm7
And even good intentions disregarding your will
Bb/F Edim7 Eb2
entangled me irritatedly back defeated

Bb
Revive this tired soul
Gm7
Renew this spirit
Eb2 Gm7
Restore the color from my faded failures
Cm7 Eb2 (Gm7 Bb/F Edim7 Eb2)
Repair this fractured heart

Eb2 Gm7
Breathe your life into me...
